

QASHQAI EXPORTS PVT. LTD.

COMPANY PROFILE

ABOUT US

Qashqai Exports Pvt. Ltd. is an experienced manufacturer and exporter of disposable Aluminium foils and Aluminium Containers. Our products are designed to ensure best quality of disposable products for household, catering, bakery and various other purposes. Qashqai Aluminium Foil products not just keep your food fresh, warm, and safe but also safeguards them from any bacterial growth.

Qashqai Exports foil brand, Meal Wrap is considered as one the leading manufacturer of aluminium foils for food packaging in the country. Meal Wrap products are developed with non-toxic Aluminium foils to keep your food hygienically safe in any travel or transit. These are widely used for wrapping food items by caterers, restaurants, hotels, cafeterias, airlines, railways, coffee-shops, and others.

Meal Wrap products are exported to various countries across the globe. Qashqai Exports currently exports to Middle East and Southeast Asia providing quality aluminium products and various other aluminium products as per the increasing demand in the market. Meal Wrap not just exports their quality products to the globe but also provides the same quality within the country through their online presence. Meal Wrap products are available for purchase on various e-commerce platforms to help customers order products directly as per their requirement. The products are also available for orders at target price and customisation, as per the demand.

India being the fifth largest bauxite producer is known across the globe for exporting quality aluminium products. We ensure that the quality of products aligns with the global standards and provides the best product range from the country. Our product range includes aluminium foils and aluminium food packaging products. Aluminium foil paper for food packaging works as a sustainable food packaging option across the globe.

OUR VISION

To become the most Trusted and Preferred Aluminium Foil and Packaging Material Manufacturer in the World through Quality, Service and Value.

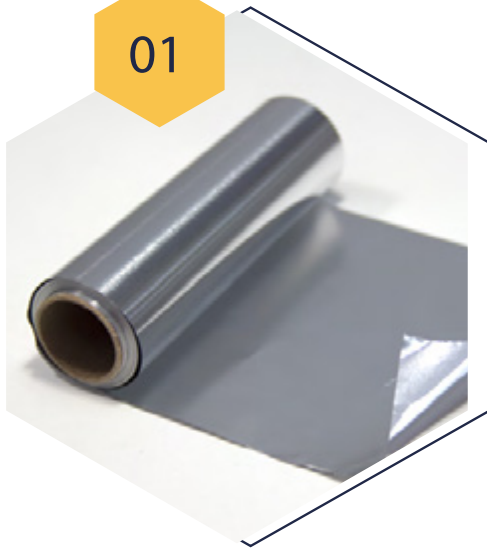

OUR MISSION

To provide the best of aluminium foil products to the World.
